OUR VISION

The 619 Charitable Fund affirms a vision of a world that is bright for our kids, who are the greatest asset for our future. Each child's quality of life is connected to the wellbeing of the community. Together we can encourage endeavors that strengthen families and communities; and propel young people to reach their optimum potential. We pursue this vision through creative grantmaking, thoughtful messages and other activities that enhance our community. The same vision of shared responsibility for our kids shapes our internal culture as we strive to maintain an ethic of respect, integrity and responsibility in our support of worthy causes.

OUR FOUNDER

With a successful career, Reggie has not forgotten to give back and pay it forward. To add to his list of accomplishments, he strives to create a legacy for our future kids. Now a father of two, he established the 619 Charitable Fund inspired by passion and compassion. Reggie is living proof that kids have the potential to be a force for progress and positive social change in their families, communities, and the world. However, they must first be nurtured and protected to reach this potential. Therefore, the 619 Charitable Fund seeks to support causes that directly benefit youth.

OUR ACTIVITIES

Through thoughtful and meaningful public activities and events, the 619 Charitable Fund develops critical support for causes that benefit kids. These events remain the financial bedrock that enables the fund to continue to provide assistance to children's organizations. The 619 Charitable Fund remains mindful as stewards of its supporters' contributions and seeks to give where there is the most impact. Moreover, the non-monetary impact that activities and events such as the Reggie Bush Charity Weekend have on the communities it serves is immeasurable, and are the cornerstone of how a community can work together to make a real difference in young lives.
